# APPEAL LETTER

Respected Sir,

Solapur Orthopaedic Society (SOS) is a registered association of Orthopaedic surgeons in and around Solapur District, with a life membership strength of about 120 members and is growing very fast. We are proud to state that Solapur has become an Education Hub for Orthopaedic surgeons in this part of the country, where eminent local Orthopaedic surgeons with great national and international acclaim conduct a number of Academic Events, which are attended by ever increasing number of Orthopaedic surgeons from all over the country.

We are delighted to announce our prestigious Annual Conference "STM 2025", on 17th, 18th & 19th January 2025 at Hotel Balaji Sarovar Premiere, Solapur on a grand scale which will provide the delegates with a great academic & social bonanza. It will be three full days Conference with one day "LEICESTER SHOULDER TRAUMA COURSE UK" presenting three international faculty.

The conference is aimed at the practicing orthopaedic surgeons to upgrade themselves as well as budding PG students to get acquainted with latest advances & real life situations. We expect a participation of about 500 orthopaedic surgeons across the country.

As you know, no conference can be successfully held without funds and resources! We feel that this conference is a great opportunity to showcase your organization and products in front of an interactive and lively audience, from all over Pune and surrounding Districts. Looking at your active interest in the past and in other Orthopaedic events, we have worked out a few proposals for you to choose from and participate in this conference.

**Dr. Gurunath Wachche**  
President, SOS

**Dr. Handralmath Sunil**  
Secretary, SOS
